Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the City of Saline's Water Treatment Plant rehabilitation project in fiscal year 2024. The entity to receive funding for this project is the City of Saline, located at 100 N. Harris Street, Saline, Michigan 48176. The funding would be used for the reconstruction of the Saline WWTP transforming it into a modern plant which protects Michigan's surface waters, the Great Lakes and the health of our communities. The project is an appropriate use of taxpayer funds because this federal investment would increase affordability and accessibility of safe drinking water for the Saline community, while having a significantly protecting the environment.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell
Member of Congress
